April 10, 2009

Dear Friends:

We have finalized our Project Light (English as a Second Language & English Literacy) training events schedule for **2009**. Our goal is that at the completion of the training, you will have the personnel trained to begin setting up your own Project Light Bible Based Learning Center. We encourage you to send three participants. Preferably, these will include **at least one Director** and one English-speaking **tutor trainer**. At least one of these 3 persons needs to speak Spanish and English if the primary target audience is Hispanic. These persons will be equipped to train other tutors and organize the Learning Center, as well as to become tutors themselves. None of the persons involved with a Project Light Bible Based Learning Center need previous teacher training or experience, but it can be helpful. Previous experiences with computers i.e. **basic computer skills are highly recommended for the training participants**.

The scheduled dates for the **2009** trainings in Norfolk, VA are found at the end of this letter. We will begin with registration at 8:30 AM, Friday and finish with graduation by 5:00PM on Saturday. At the completion of the training, each Learning Center will receive the software and manuals purchased to teach Project Light Bible Based English and set up your Learning Center (the number of sets of software depends on the training package which you select). One of the most important aspects of teaching Project Light English is the building of relationships between the people involved, both tutor and student. We ask that you carefully and prayerfully select your representatives to come for this training who are committed Christians, who desire to share their faith in Jesus Christ, and who desire to build relationships with people of different cultures. Project Light English can be one of the most powerful Ministries providing Discipleship tools for bridging the gap between different cultures and building lasting friendships.

**Please let us know as soon as possible**, if you plan to participate in one of the training events and how many participants you would like to send. Use the enclosed registration forms for this purpose. Spaces will be reserved on a first come- first serve basis and are limited.

Sincerely yours,

Barbara Gray  
Trainer, Project Light
